Birthday Party Lay Out

Everything is structured and planned from start to finish – zero down time. Guests are invited to join the birthday star in our matted floors for fun games and an exciting introduction to Tae Kwon Do class during the first hour. Our goal is to provide a full schedule of fun physical activities. We reserve the last 30 minutes for cake and food in our party room. We encourage bringing cupcakes, chips, juice, water.

WHEN YOU ARE AT U.S. TAE KWON DO COLLEGE YOU WILL DISCOVER THAT:

#1 – We put safety first with everything we do.

All of our instructors and team members are required to go thru full background check and are CPR and First Aid Certified.

#2 – We want to make sure you and your child love what we have to offer. As such, if you are not happy with your party – we will fully refund the cost of the party.
